

GVMHS

© Greater Vancouver Mental Health Service (GVMHS) 1973-2000

Symbolizing the process of despair, and then self-realization, hope, and joy, our client's experience is the human shape with the arms raising.

Symbolizing the growth GVMHS has gone through (and will continue to go through) is the tree shape. It also signifies the sheltering aspect of the services provided by GVMHS.

Services provided by GVMHS

Adult

Family and Children

Rehabilitation

Emergency (Car 87)
